Canine Health Care Plans

What can our Health Care Plan do for you and your dog?

Our Health Care Plans are designed to provide cost savings and to help ensure that your dog receives the preventative care they need to maintain their overall health.

Option A Plan

12 Payments of \$53.25/
month (taxes extra)

Option B Plan

12 Payments of \$70/month
(taxes extra)

Dental add-on option
available

Included in every Dog Plan: Comprehensive Health Examination

(once per year)

- A thorough physical examination to assess your dog's overall health from the tip of their nose to the end of their tail.

All Vaccinations your Dog Needs

- Vaccines are essential to protect your dog against common diseases and infections.
- Individualized risk assessment will be done to determine what your pet needs.

Fecal Testing

(once per year)

- Fecal tests look for microscopic parasites that are not treated by regular deworming.
- We want to be sure your dog, you and your family are safe from parasites!

Heartworm & Tick-borne Disease Test

(once per year)

- These are serious and potentially fatal conditions that we want to detect early to enable early treatment.

Up to 3 Included Health Exams

(for the year while enrolled)

- No need to wait when you have a concern about your dog's health.

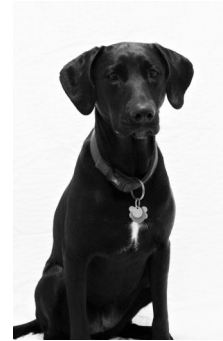

Nail Trims (4)

- Included with exams

Early Detection Blood Tests

(once per year)

- Early disease detection allows us to diagnose disease before the disease becomes more serious and more difficult to treat.

Also Included in Option B Plans: Urine Testing

(once per year)

- Aids in the early detection of infection, dehydration, kidney and bladder disease.
- Thyroid testing and more detailed blood tests.

Dental Cleaning (Optional Add-on)

(once per year)

- We will make every effort to keep your dog comfortable and pain-free.
- Routine blood testing and blood pressure monitoring is performed to help improve safety of anesthesia for your dog.
- I.V. fluids are administered to encourage a speedy recovery.
- Scaling above and below the gum line to remove plaque and tartar with an ultrasonic scaler and hand instruments.
- **Additional fees required for Grades 2&3 cleanings, extractions, and medication.**

Note: Emergency after hour visits are not included in these plans.
